Superintending Engineer
Public Works Department
Bridge Circle, Raipur

REQUEST FOR PROPOSAL (RFP) DOCUMEMNT

The Chhattisgarh Public Works Department invites Request for Proposal in prescribed form from eligible bridge Designers. Application should reach the office of the undersigned through speed post/registered post on or before dated 27-03-2025 by **17.30** hrs.

1. CHHATTISGARH PUBLIC WORKS DEPARTMENT (CGPWD) – BRIDGE ZONE RAIPUR -

PWD BRIDGE ZONE RAIPUR is the state agency under **CGPWD** to build and maintain the Bridges under State Government and central schemes

2. ECO-FRIENDLY CONSTRUCTION-

Chhattisgarh PWD envisages Eco-Friendly construction with modern infrastructure.

3. AIMS AND OBJECTS OF CGPWD FOR BRIDGES -

(a) To reflect the aims and aspirations of the people of Chhattisgarh, integrating its traditions with modern day aspirations with necessary means of communication by connecting two banks of water body and also provide an easy movement of traffic.

(b) To provide high standards of modern physical infrastructure, such as efficient transport and communication network in its development.

(c) To make the best use of available resource and boost economic development.

4. DEFINITIONS-

In this document the following words and expressions have meaning hereby assigned to them.

4.1 **CGPWD**: means "Chhattisgarh Public Works Department"

4.2 **BRIDGE DESIGNER/APPLICANT**: Means individual/proprietary firm, the firm in partnership, limited company, corporation, a group of firms forming a Joint Venture/Consortium in the field of structural design of Bridge, or a multi disciplinary firm of engineering/ structural design.

4.3 Engineer in charge - The Executing Engineer of concern, P.W.D. division.

4.4 Client means CGPWD.

5. The applicant should be a registered partnership firm, or a company registered in India under company Act 1996 or a corporation constituted by central/state govt. in India or a group of firms forming a Joint Venture/Consortium in the field of structural design and/or multidisciplinary firms of engineering/structural design.

5.1 In case of Joint Venture, the joint- venture partners should give an undertaking to provide the relevant expertise/design services for the structural design of bridges. Similarly, in case of Consortia, if any member is likely to derive expertise of the parent company, then an undertaking to that effect from the parent company providing such expertise to the Consortium member should be submitted. In addition, all applications submitted shall include the following duly signed information:

(a) Letter of Transmittal.

(b) Certified Copies of documents defining the legal status, structure of organization, place of business of the company or corporation or firm or partnership or in case of a joint venture, of each party constituting the Joint Venture/Consortium in Schedule 'A'.

(c) Report on the Financial Status of the applicant in Schedule 'B'.

(d) Information about Design and Drawing professionals and allied Technical staff in Schedule 'C'.

(e) Details of the experience and past performance of the applicant (or of each party of joint venture/ consortium) on works of a similar nature and details of current works in hand and other commitments in Schedule 'D'.

(f) Any other relevant additional information in Schedule 'E'.

(g) Copy of GST Registration, PAN Card and Income Tax return for last 3 years.

(h) Affidavit in schedule 'F' duly notarized.

(i) Details of experience of similar work performance in Schedule -G

5.2 The applicant must be a well established consultant having experience of providing Drawing and Design of Bridge structure with span not less than 25 meter in length, during last five year.

6. METHOD OF APPLYING-

6.1 If application is made by a firm in partnership, it shall be signed by all the partners of the firm above their full typewritten names and current addresses, or alternatively by a partner holding special power of attorney for the firm in which case a certified copy of the partnership deed and the said power of attorney and current address of all the partners of the firm shall also accompany the application.

6.2 If the application is made by a limited company or a Corporation, it shall be signed by a duly authorized person holding power of attorney for singing the applications in which case a certified copy of the power or attorney shall accompany the application.

6.3 If the application is made by a Joint Venture/Consortium of two or more firms as partners-

a. The application shall be signed so as to be legally binding on all Partners.

b. One of the partners shall be nominated as being lead partner and this Authorization shall be evidenced by submitting á power of attorney Signed by legally authorized signatories of all the partners.

1. The lead partner shall be authorized to incur liabilities and receive instructions for and on behalf of any and all partners of the Joint Venture /Consortia w.r.t. the contract.

2. A copy of the agreement entered into by the Joint Venture/ Consortium shall be submitted with the Application and complete information pertaining to each partner in the respective forms duly signed by each such partner shall be submitted with the application.

6.4 All the envelopes listed below shall be kept in one envelope in-marked on "Submission of Proposals for **Preparation of Drawing & Design of bridges up to substructure under bridge division Kanker & Jagdalpur.."** (Name of work)

a) Earnest money shall be kept in separate envelope in-marked as Envelope-1: "Envelope of Earnest Money".

b) All the requisite documents & information in schedule A to G shall be kept in one envelope, in-marked as Envelope-2: "Qualification document". This shall be opened to check the qualification of the applicant.

c) Financial offer in schedule H in separate envelope in-marked as Envelope-3: "Financial Offer".

7. AWARD OF WORK-

Procedure for the award of work shall be as follows:

Application received within specified date and time will be opened and scrutinize in following manner by CGPWD authority.

The Designer's qualifications shall be evaluated on the basis of his past experience for preparing designs of not less than 25 M span bridges and his digital presentation of such experience before the committee. The committee shall select 3 best-suited Designers.

Financial offer (rates) of the firm, whose design experience and presentation are adjudged best shall be opened by the Superintending Engineer, inviting the tender. Offered rates shall be compared with the rates mentioned in para-8 and whichever is less shall be approved. The work may be awarded to no. 3 firm, only in case of refusal from 1st and 2nd firms respectively, on the same process as mentioned above. On refusal of approved rate, the earnest money of such designer shall be forfeited.

8. FEES FOR DRAWING AND DESIGN OF BRIDGE STRUCTURE-

S.No.	Particulars	Maximum Rate (percentage (%) over estimated cost of Bridge Structure)*
	PREPARATION of 'Design and Drawing of structure' by the Designer on complying GAD and survey data provided by the department to get approval from CGPWD authority, competent to accord technical sanction on estimate of it. After approval from CGPWD authority, 'Drawing and design of structure' prepared by Designer will be sent for proof checking to any Nodal agency like IIT/NIT/GEC Raipur as decided by CGPWD and Designer will make all compliances till getting final approval of Drawing Design from nodal agency. (Payment of proof checking shall be borne by CGPWD.)	**1.5%**

* Estimated Cost of Structure means the estimated cost of bridge structure work as approved by the concerned Superintending engineer, up to cost Rs. 2 crore and concerned chief engineer for projects costing more than 2 crore.

Note-

(1) The rates shown above are maximum acceptable by the CGPWD.

(2) Designer's rate shall be inclusive of all applicable taxes including GST.

(3) The Design & Drawing submitted by the Designer shall be the property of CGPWD. No extra payment shall be made to Designer, in case of repetition/reuse of Design & Drawing etc. in the department.

(4) If any other project consists of similar type of bridge structure with minor deference then the fee payable to the designer shall be @0.25% of the structural cost.

9. SIGNING OF AGREEMENT-

Agreement shall be drawn in between the Executing Engineer of bridge division and the designer, as per Annexure -1

The Engineer in Charge, shall have the liberty to postpone or not to carry on any work and the Designer shall not be entitled to any compensation or damages for such postponement or non execution of the work except the fees which are payable to the Designer as per the stages of scope of work on the date of such decision communicated to the Designer.

10. GENERAL CONDITIONS OF CONTRACT-

1. Deduction can be made from the Designer fees on account of penalty, liquidated damages or other reasons in case he does not fulfill his main duties as mentioned in the Request for Proposal document.
2. The Designer shall make necessary revision as may be required by the Executive Engineer, PWD Bridge Division in the Design & drawing and the other documents submitted by him. Once finally approved any substantial changes required by the Executive Engineer, PWD Bridge Division shall be made by the Designer without any extra cost.
3. The Executive Engineer, PWD Bridge Division shall take note of all statutory provisions under the law and act as per its provisions at the time of the Payment made to the Designer.
4. The Designer will have to follow the timelines prescribed in the agreement. In case of non compliance of anyone or more provisions of this agreement a penalty of 1% (one percent) per week aggregating to a maximum of 20% (twenty percent) of the fee (payable amount) shall be deducted .
5. Designer is bound to submit a certificate regarding structural design that-submitted structural design is economical and safe.
6. Work assigned under the contract is a specialized service. The Designer shall perform work/service, through data, material obtained from client's source.
7. **Time schedule** – Time being essence of contract, Designer may be liable to levy penalty in case of unreasonable delay in part of Designer. Penalty for delay upon Designer will not charge when delay unavoidable, occurred due to force measure or reason not fully attributable to Designer. Superintending engineer of concern circle will be the final authority deciding penalty with quantum of penalty, and which shall be final and binding.
8. **Termination of contract-** Engineer in charge will have the authority of termination of contract- when Designer's failure/ incompetence/ non-intension and non seriousness if fulfillment of contractual liability is establish.

Following grounds are sufficient to establish Designer's failure.

a- Slippage of time schedule beyond 1 month without any valid reason and delay attributable to Designer's failures,

b- Any kind of fraud or corruption in part of Designer.
c- Designer not follow, responding to client's instruction,
d- Non performance, Incompetence and non–deliverance of Designer clearly reflecting-
e- Any other ground (to be clearly specify)-

Client may terminate the contract on any of the grounds of failure clearly implicit as failure in part of Designer. Action of termination shall be taken giving not less than 15 days written notice of show cause to Designer and considering response/ reply of him in case receive.

Contract may be terminated by CGPWD on ground not attributable to failure in part of Designer and in such case designer shall not be liable for any kind of penalty except penalty for delay already have accrued, if any.

Payment upon termination-

Payment up to level completed for only will be payable as per payment schedule mentioned, but in case of contract terminated on ground attributable to Designer's failure, apart from non-payment of service not completed in term of payment schedule above, security deposit of Designer will also be forfeited.

11. BROAD SCOPE OF THE DESIGN CONSULTANCY-

The Designer's broad scope of work shall include the following:-

1. *Designing and providing structural drawings & calculation for construction of bridge including vetting from I.I.T./NIT/GEC/Agency as decided by CGPWD.*

2. *In case of arising of any necessity for redesigning of any component due to site conditions, it shall be provided by the consultant without any extra charge in lieu of the same. However, if major changes involves and designer need to perform additional works in form of redesigning or major changes, additional payment @ of 0.25% of cost of* such component of the structure over contract *price may be allowed by the Chief Engineer at his discretion.*

3. *The designer may be asked by the Engineer in Charge to visit the side as and when required during the design process.*

12. DETAILED SCOPE OF WORK-

Designer shall prepare Designs and Drawings of proposed Bridge; *the design shall be based on IRC-112-2011 and other latest edition of relevant IRC Codes, MORTH specifications and latest sound engineering practices. The design should be most economical.*

1. Drawing and design of bridge shall necessarily include entire Bridge structure; Retaining wall, Returns wall, RE wall and Toe wall along with the main Bridge work.
2. GAD and survey data for the work to be provided by the CLIENT; PWD Department. Designer shall get acquaint with requirements of Client and shall proceed with copy of GAD and survey data available with the client. Designer shall discuss and clarify any point or interpretation regarding drawing and specification with Engineer in Charge.
3. Designer shall proceed with preparation of Designs and Drawings of structure of proposed Bridge immediately after obtaining requisite data and information from the client.

Designer may promptly request client, for Additional data or information, if any may sought during proceeding of his work.

4. Designer shall arrange a show of model/3D view/walk through presentation on a convenient scale of all plans, designs and drawings as per requirement.
5. Drawings and Designs prepared by Designer should meet all standard norms, specifications and fit to requirements of the client; Drawings and Designs to be prepared in satisfaction to the competent authority of CGPWD empowered to accord technical sanction of estimate of it.
6. Designer shall prepare Drawings and Designs of bridge structure, diligently and submit to the client in time in soft copy and in 3 sets of hard copy for approval by the client.
7. After approval of Drawings and Designs of structure by competent authority of CGPWD, it will be sent for proof checking to any reputed institutions like IIT/NIT/GEC as decided by the CGPWD. Designer shall perform required compliances for getting final approval of Drawings and Designs from agency.
8. Designer shall submit copy of proof checked and finally approved Drawing and Design of structure in 6 sets along with the soft copy of all Drawings and Designs.
9. Client may seek information/clarification or ask for additional services required, if any, during the progress of construction of bridge.

13. TIME SCHEDULE FOR THE SCOPE OF WORK-

Time is the essence of contract. Bridge Designer shall execute the agreement within 7 days of issue of acceptance letter and order for commence of work will be issued immediately after execution of the agreement. Time period of contract shall reckon from day next to day of issue of work order.

Bridge Designer should prompt in getting clear about details of Drawing and Design of Bridge structure. Designer is advised to proceed with detailed discussion with plan and draft drawings and designs prepared by him before proceeding for final preparation.

Final preparation of Drawings and Designs of structures shall be completed within 15 days, which should be submitted in appropriate format to be sent for proof checking and the Bridge Designer needs to promptly comply in response to any query, requirement sought by agency.

14. *SCHEDULE OF PAYMENT*

Stage	Particular Stages	% of fee payable
I	*On submission of design and drawing and approval by CGPWD.*	40%
II	*On approval of design and drawing after proof checking by the competent agency/institution –*	50%
III	*On Completion of all activities of project constructions of structural work.*	10%

Note-

1. All payments towards Consultancy fee to the selected consultant will be made in Indian Rupees only.

2. Running payment of fee up to stage-II shall be calculated over Probable cost of project (Bridge Structure), mentioned in RFP invitation Notice, final payment shall be calculated over final estimated structural cost of Bridge structure amount worked out from technical sanction.

Security deposit @ 5% of contract amount (with adjusting earnest money deposit) will retain from each running bills uniformly and will Refundable after completion of all activity of project construction of structural work.

15. GENERAL INFORMATION AND INSTRUCTIONS TO APPLICANTS-

15.1 All information requested for in the enclosed forms should be furnished against the respective columns in the form. If information is furnished in separate documents, reference to the same should be given against respective column. If information is 'Nil' it should also be mentioned as 'Nil' or 'No such case'. If any particular query is not applicable in case of applicant, it should be stated as "Not applicable". The applicants are cautioned that non submission of complete information called for in the required formats, or making any change in the prescribed forms may result in the applications being summarily rejected.

15.2 All the information must be submitted in English.

15.3 The documents should be sent by speed post or registered post. CGPWD will not entertain any application after the prescribed time limit on any grounds.

15.4 The application should preferably be type written. The applicant's name & signature should appear on each page of the application form and other relevant documents enclosed.

15.5 Overwriting shall be avoided and corrections, if any, shall be made by crossing out, initialing, marking the date and rewriting. All pages of the application shall be numbered and submitted as a package with signed letter of transmittal.

15.6 References, information and certificates from the clients certifying suitability, technical know-how or capability of the applicant shall be signed by the respective client.

15.7 The applicant is advised to attach any additional information he thinks would be necessary in regard to his capabilities. No further information will be entertained after submission of application unless it is required by the CGPWD. The CGPWD reserves the right to call for additional information and clarification of information submitted from the applicants.

15.8 The cost incurred by applicants in preparing this application providing clarifications or attending discussions/ conferences in connection with this document shall be borne by the applicant and the CGPWD in no case will be responsible or liable for these costs, regardless of the conduct or outcome of the process.

16. FINAL DECISION MAKING AUTHORITY-

The SE PWD, Bridge Circle, Raipur, Chhattisgarh, reserves the right to accept or reject any application and to abounded the process and reject all application at any time without assigning any reason and without thereby incurring any liability of applicant or without informing the applicants on the grounds for the CGPWD's action. For any discrepancy the appeal can made to Chief Engineer PWD Bridge Zone Raipur, Chhattisgarh whose decision shall be final.
